## **The Pembroke Centre**

Our mission is to enhance the lives of children and adults with disabilities through a relationship with horses. The therapy we provide improves balance and co-ordination as well as building confidence and support for people with mental and emotional issues. To do this we rely on our dedicated team of volunteers and qualified Coaches who give over 20,000 hours of their time each year.

### **Thank you**

*Thank you for supporting us at The Pembroke Centre, Wilton. Fundraising is vitally important for us. It enables us to provide therapy for over 250 people every year.*

# What we do and how we make a difference

We provide therapy to people of all ages with very diverse needs including physical and learning disabilities, autism, anxiety and dementia.

A few examples below...

## Equine assisted learning

Equine Assisted Learning offers the opportunity to spend quality time with horses in ways other than riding. These sessions aim to give you the space you need to experience and develop a relationship with a horse more fully.

## Riding lessons

Our instructors are fully qualified and experienced with riders of all abilities. We can accommodate riders according to their specific needs in a safe environment. We cater for riders, both children and adults, with physical disabilities or learning difficulties.

## Tea with a pony

An opportunity to spend time in a relaxed atmosphere with our gentle ponies and enjoy tea and cake with our friendly volunteers.

## How you make a difference

We simply cannot run the Pembroke Centre without you and rely 100% on donations. Your donations go directly towards the cost of caring for our ponies and maintaining The Pembroke Centre to ensure we can continue to offer our services to the community, riders and volunteers.

## Just a few examples of how much it costs to look after our ponies:

**Hay** - £5 per bale

**Keeping ponies' feet in good order with a new pair of shoes** - £55

**Feeding a pony for a month** - £75

**Upkeep per pony per month** - £170

Your help, whether pounds or pence, all adds up to help our charity provide life changing experiences through horses.

## **Becoming a Patron**

As a Patron you will be contributing to The Pembroke Centre and its fundraising activities and develop relationships with key stakeholders so we can continue to offer valuable support to our community and riders. We invite Patrons to visit us and see us in action and the incredible work that makes a difference to so many. We will ensure that you see and feel your generosity through our yearly Impact Report, event invitations and updates.

***Please contact us if you are interested in becoming one of our Patrons.***

**Gift Aid** - Gift Aid helps you to contribute even more as we can claim an extra 25p for every £1 you raise. If you are an eligible taxpayer, please provide your details when you donate.
